	)	<b>FINDINGS OF FACT,</b>
HENRIETTA BINFORD,	)	<b>CONCLUSIONS OF LAW,</b>
	)	<b>AND ORDER THEREON</b>
Defendant.	)	

**FINDINGS OF FACT**

Based on the pending Stipulation of the parties, and good cause appearing therefore, the Court finds that:

1. Defendant requests additional time in order to address one or more matters prior to sentencing, including: (a) gathering certain supporting documents, including transcript(s), medical documents, and information on her behalf in preparation for sentencing, and (b) addressing medical issues that have arisen over the last year, and ongoing recent treatments as to the same.
2. Defendant's counsel also requests additional time to prepare for sentencing, including assisting in gathering any additional documentation Henrietta Binford provides in support thereof;

4. The government does not object to the proposed brief continuance.

1. Denial of this request for continuance would result in a miscarriage of justice, as additional time is needed for the Defendant HENRIETTA BINFORD to prepare for the upcoming hearing, and review the file and the case with counsel for the defense.
